Facial Treatments:

Our customized facial treatments are the ultimate in relaxation. A facial will be designed specifically for you to address your individual skin care needs.

****European Facial-*** Our most popular facial. This detailed service includes an analysis and consultation of your skin type, a deep cleansing, steam to open up pores, extractions, a massage on the face, neck, shoulders, and décolleté areas, and a mask.

Please allow 1 ½ hours for this treatment - \$75 -
6 treatments -1 free: \$450

****Express Facial-*** A shorter version of the European facial. This treatment includes cleansing, extractions, and exfoliation to tone and hydrate. Perfect for someone with little or no time to spare.

Please allow 45 minutes for this treatment - \$60 -

****Repechage® Four Layer Facial-*** One of our most hydrating facial treatments. Perfect for thirsty, dehydrated skin. This facial consists of four layers of treatment masks in addition to the European facial. This fabulous treatment mask hydrates and rejuvenates the skin. The results are impressive: younger- looking skin with visibly renewed moisture and an afterglow that lasts. Just touch your skin and feel the difference.

Please allow 1 ½ hours for this treatment - \$100 -

****Hydrating Facial-*** Extremely hydrating facial for dry skin. This facial activates sebum, which enhances the skin's hydration, giving the skin a healthy, radiant glow.

Nail Services

Our nail services are performed by licensed, highly trained nail technicians. Every manicure and pedicure includes cuticle care, exfoliation, a relaxing massage on the feet and legs with pedicures, and application of new polish. Our relaxing manicures and pedicures will leave your hands and feet feeling refreshed. We also offer reflexology, which

is a combination of massage techniques and "thumb walking" used on major points of your feet which correspond to different organs of the body. This massage technique reduces tension and fatigue in the body. As always, appropriate sanitation and cleanliness techniques are used by all nail technicians.
